

**I.A.R.F. Human Right Sensitization Meeting**  
**AT - Prayers Warriors Ministry Center**  
**IN - Bungoma on 1<sup>st</sup> March 2015.**

**Host:** Bishop Joseph Enyangula

Bishop Joseph Enyangula welcomed the IARF team lead by chairman/ president Bishop Michael Wafula, Rev. Lawrence Adera and Bishop Martin Mwambu to the church hall. There were prayers from the church leaders followed by praise and worship.

For few hours we were given sermons by bishop Joseph who at the end gave IARF chairman bishop Michael to introduce his team to the congregation.

Chairman Bishop Michael welcomed the guests and all the participants. He then called upon Bishop Martin to give some history of IARF since it's formation in Kenya by highlighting on key points such as, who we are, what we do, who are our associates amongst others.

And finally he called upon the secretary Rev. Lawrence to generally outline the purposes of IARF to Kenyan people. After taking up a brief history and mandates of IARF, thereafter, some questions were raised

1. What are the benefits of being a member
2. How do we help the victims of Mt. Elgon and of Mandera.
3. What about FGM victims, any rescue centre in place?
4. Do we accommodate the disables and what are their role in the organization?

By answering, these were the areas that we are looking forward to have education on during the TOT sensitization that is scheduled in April this year with the few that are going to volunteer to join us from the region.

Chairman then added that presently, IARF Kenya chapter, has engaged many large young people to know their rights, as a result the government has also recognized the religious leaders as best developing tool in HRE. He continued to say that IARF will be going all round to sensitize on human rights issue all over Kenya and other parts of Africa.

The meeting was attended by youths and religion representatives.

The final group photo was taken, and participants enjoyed their last moments by having a short break lunch

The report is prepared by: Rev. Lawrence Adera IARF Kenya chapter-Secretary
